Re: Application of Worldwide Fiber Networks, Inc. for a Certificate to Provide
Facilities-Based Interexchange Services in Tennessee, Docket No. 99-00556

Dear Mr. Waddell:

Worldwide Fiber Networks, Inc. ("WFN") would like to bring two matters to the Authority's attention before WFN's hearing, which is scheduled for November 30, 1999. First, the caption for this docket needs to be changed to the caption above. This change reflects WFN's Application Amendment, filed August 11, 1999 with the Authority, whereby WFN limited its request for a certificate to provide solely interexchange services, not local exchange services. Second, with its original Application, WFN submitted the pre-filed testimony of Patrick F. Summers, General Counsel of WFN. Mr. Summers is unable to attend the hearing. Instead, Julie R. Hawkins, Assistant General Counsel of WFN, will appear on the company's behalf. At the hearing, and on the record, Ms. Hawkins will adopt Mr. Summers's pre-filed testimony as her own pre-filed testimony.

If you have any questions concerning these matters, please give me a call.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
